DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on March 16, 2009 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): In response to the 35 USC 112, first paragraph rejection set forth within paragraph 3 of the Office action of December 16, 2008, applicants have deleted the proviso from claim 24. However, it appears from the remarks set forth within applicants' response of November 7, 2008 that this proviso was inserted to distinguish the instant claims from the teachings of Moore et al. ('272). It is noted that Moore et al. disclose an end group at column 6, lines 19 and 24-30 that corresponds to the instantly claimed group sans the proviso. Accordingly, applicants are required to further address this issue, since it appears that reinstatement of the prior art rejection is required in light of the amendment. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication should be directed to R. Sergeant at telephone number (571) 272-1079.
